

# **SOUR EXPLOSION!**

**Get ready for a sour explosion!! This sour explosion is mainly made for kids or for Adults that love sour. But mainly kids because its basically a lollie , And most kids like lollies.**

**If you dare to try this sour explosion, It will basically taste like a really nice sour juicy liquid with a LOT of sour strips in it. There will also be sour lemons in this drink with sour nerds and sour boba pearls. It just taste so good!**

**When you smell the sour explosion you will feel little dots going up your nose. And that will be the sour sherbert from the sour strings. But I wouldnt recommend. Smelling the sour explosion i mean you can if you want to.**

**In the sour explosion you wil find sour skittles, you will also see a couple lemons , sour nerds and also the drink will be sour flavoured gatorade. Youll also find ice which is sour too.**

**When you buy the sour explosion the price will normally be at 5\$ for a large and 3\$ for medium and 2\$ for a**

**small. And you can find this drink in christchurch hornby  
new Zealand, So you should buy it!!!**

**I really hope that you like my invention I created it for  
the people who like sour or kids that like sour. And i  
thought that this drink was a good idea.**
